Board of Directors

General Description

The four (4) officers (President-elect, Vice President, Secretary, and Treasurer), the immediate Past President, and three (3) other directors (Membership Director, two (2) At-Large Directors) constitute the governing body of the Society, called the Board of Directors (Board).

The election procedure, terms of office, and general duties of the Board are described in Bylaws, IV. See also Alice Sturgis’s The Standard Code of Parliamentary Procedure.

Responsibilities

1. The Board governs, manages, and regulates the affairs of the Society, acting on behalf of the members.

2. A meeting of the Board shall be held with ninety (90) days of their taking office; which occurs when the president assumes office, thirty days after the annual members meeting. At least two other meeting of the Board shall be held during the year before the next annual Members Meeting (Bylaws IV-4).

3. The Board makes final decisions on all recommendations submitted by committees, Newsletter editor, and members for consideration or approval. Items requiring the Board’s approval are so indicated in appropriate places throughout this Handbook.

4. If decisions are required between Board meetings, a poll of all eight (8) voting members is made before acting. If this is not feasible, or if all Board members do not respond within forty-eight (48) hours, the President (or designee), Vice President (or designee), and at least two (2) other members of the Board need to respond in order to approve the action before it is undertaken (based on the quorum needed for official action in Bylaws V.3). When such votes are taken, a summary of the action shall be made by the President. The Secretary shall incorporate the summary in the minutes of the next meeting. The Board members polled must confirm their vote in writing, to be received by the President within two weeks of the vote, in order for that vote to be considered valid and binding.
5. After considering aspects of privacy, the Board may grant public access to Society records.

6. The President is an *ex-officio*, non-voting member of all standing and special committees, except the Nominating Committee. Each other member of the Board will serve as a liaison to at least one standing or special committee. As liaison, the Board member:

   b. Informs committee chair of Board decisions.
   c. Reminds committee chair to send budget projects, quarterly reports, and final reports to the President prior to Board meetings.
   d. Reports to the President and Board on committee activities and making recommendations as needed.

   f. Attends committee meetings at the Annual General Meeting (AGM).

7. It is advantageous to have at least one member of the Board in attendance at Society-sponsored events and workshops to represent the governing body of the Society and observe it first hand.

8. The Board sponsors receptions and welcomes new members in other ways.

9. The Board members are reimbursed for travel and lodging costs (but excluding meals) incurred in attending Board meetings other than those associated with attending the Board meeting held in conjunction with the AGM. For the Board meeting held in conjunction with the AGM travel is not reimbursed, but one night of lodging at the conference hotel rate may be reimbursed. To minimize Society expenses, the board meetings should be held in the most economical locations.
   a. SCA mileage travel reimbursement shall conform to the IRS tax code, and shall be changed accordingly when a new amount is announced.
   b. Board members may also request reimbursement for photocopying, telephone calls, and postage used for Society business and for other expense with Board approval.

10. It is part of the Secretary’s duties to maintain and update the Handbook. The Secretary will distribute copies of revised pages to each member of the Board. (See Handbook Maintenance, section 02-04-01.)
11. The Board, in consultation with the Site Selection Committee, selects AGM sites and dates and provides for their publication to the members.

Points to cover

Board

- Members are elected, mostly 2 year terms, rotate which are new each year so that there are old and new hands
- Terms begin thirty (30) days after the annual business meeting
- Meets 4 times a year, fall meeting is the budget meeting
- Meetings are open
- VP/President-elect chairs the Program Committee, serves as President in second year of term, is *ex officio* for a third year and chairs Nominating Committee
- Directors at Large serve on the WAI Joint Management Committee

Committees

- Are mostly volunteer with chairs and members remaining as long their interest takes them, a few variations ○ LAC is just for the year

SCA Handbook: Section 2, page 7
Nominating Committee is elected (Immediate Past President is chair and then two members elected in alternate years so there is always an old hand and a new one)

Awards Committee members are appointed by President rather than volunteers

- Some committees have a Northern and Southern co-chair, but the committee is one committee

Orientation to SCA business

- Familiarize yourself with the SCA Handbook
- Membership sends names of new and renewing members expressing interest in a specific committee--contact them, welcome them to your committee, involve them!
- Each committee chair prepares a formal report to the Board prior to each Board meeting. Make long enough to inform and alert the Board, but don’t feel you have to reach a certain length. If there are issues, you should be communicating with your liaison in a more active way so they have the background.
- Keep committee members list current and fresh. If someone isn’t active, communicate with him/her, if no longer able/interested then don’t keep on the roll.
- Liaisons Each committee has a liaison on the Board, usually determined at first meeting. Liaison should communicate with their committee chair both before and after all Board meetings
  - Liaison should attempt to visit with the committee chair at least once during the AGM
  - Liaison should communicate budget information to the committee chair Chair should check in with liaison particularly over issues with potential for conflict or difficulty
- Make budget requests in the fall (can make special requests other times but…)
- Committee chairs present an oral report of committee activity at the Annual Business Meeting (aka Members Meeting) during the AGM. Any chair unable to attend shall designate a representative to make this report.
- Outgoing chairs should make a point of communicating with incoming chairs, review events and issues of the previous term
- At minimum outgoing chairs or board liaisons should provide to incoming chairs copies of previous quarterly and annual reports and the previous year’s committee budget
- Committee chairs send non-current records to the Society’s archives at the end of their term of service (or periodically in the case of long-term chairs)
- The official SCA mailing address is at the State Archives in Sacramento, let the person in charge of the mailbox know your preferred address for mail forwarding
- SCA has 2 retractable banners for use at meetings and outreach, the Outreach and Publicity chair(s) usually keep them
If a new chair, what questions do you have? If an experienced chair, what wisdom to impart?

Programs and benefits provided by the Society are divided into two categories: membership benefits and membership electives.

Membership benefits are those services and products generated by the Society, and received automatically by every member. Membership electives are those self-supporting programs and services, such as publications, workshops, and the annual meeting, of which members may choose to partake. Membership benefits are meant to be supported through annual dues, and electives through fees.

The budgetary items comprising the cost of membership figure include the Newsletter, administration, Board and committee expenses, scholarships, Member Initiated Events, and 25% of the general fund expenses of the relevant year’s AGM.
Introduction: Education Fund

The SCA Board of Directors created the Education Fund as a restricted fund to which members may contribute donations, which are tax deductible. The Board is responsible for all aspects of administration of the Fund, including its expenditure. The Board shall exercise ordinary prudence in the Fund’s management.

Spending Policy

Monies from the Fund shall be spent to increase the availability and affordability of professional education and training to SCA members. Monies from the Fund may only be used toward costs associated with educational workshops or training opportunities cosponsored by SCA or other allied professional organizations.

This may include, but is not limited to:

- Direct costs of educational workshops, such as
  - instructor honorarium and travel costs
  - space and equipment needed to conduct the workshop
  - refreshments for attendees, etc.
- Indirect costs related to a workshop or required by a workshop contract, such as
  - costs of mailings, including postage
  - advertising
  - name badges, printed materials, and other documents
  - staffing costs
- Scholarships for SCA members attending SCA-sponsored workshops, including the Gray Scholarship
- Other appropriate and reasonable costs associated with professional education activities that benefit the membership

Expenditures should be considered in relation to these factors:

- The purposes of SCA and the Fund
- Duration and preservation of the Fund to carry out its purposes
- Overall, consistent strategy for the Fund
- Long-term sustainability of the Gray Scholarship
- Reach of the educational benefits to a significant number of members
- Other resources of SCA
- General economic conditions affecting SCA and the Fund
Withdrawals from the Fund shall not exceed 20 percent of the total funds reported on December 31 of the previous year.

Guidelines for Annual Expenditures from the SCA General Fund

Summary

Each fiscal year, the Board will use the following guidelines for determining annual expenditures from the SCA General Fund:

1. Maintain a reserve of approximately $47,000.

2. Identify Surplus General Funds, which are those in excess of the reserve of $47,000. Surplus funds should be calculated based on balances as of the previous January 1st.

3. Budget to expend 10 to 15 percent of surplus funds in the coming fiscal year.

4. Expend surplus General Funds in support of priorities identified by the Board and the most recent Strategic Planning Report.

5. Consider the availability of Restricted Funds when making General Fund expenditure decisions. If Restricted Funds are healthy, they should be used up to the maximum expenditure of principal permitted before drawing on General Funds; if Restricted Funds are depleted, then General Funds can be used.

These Guidelines are not binding, and may be modified according to the needs and financial health of the organization.

Calculating & Expending Surplus General Funds

Introduction

In order to responsibly use SCA funds for programs and activities that benefit the Membership, each year the Board should budget to expend a percentage of accumulated surplus in the General Fund. The guidelines below are suggested to encourage the Board to identify and spend a percentage of surplus funds as part of the annual budget process. The guidelines are not binding, and may be modified according to the needs and financial health of the organization.¹

¹ If an administrator or clerical assistant is hired, for example, the budget situation will change dramatically and the recommended calculations below will not be sufficient.

SCA Handbook: Section 2, page 30
Reserves

For the General Fund, surplus funds should be defined as those in excess of the minimal Operating Reserve, plus an AGM Reserve sufficient to cover the liability defined in the current hotel contract.

The Operating Reserve has been $12,000, as adopted by the Board based on 2002 recommendation by the Finance and Investment Committee. It is intended as a cash reserve sufficient to cover six months of expenses.

The recommended “AGM Reserve” should be sufficient to cover a worst case scenario: cancellation of the AGM. The AGM hotel contract is SCA’s largest financial commitment each year. For 2014, the cancellation cost is the cost of the room block we have committed to fill, plus the minimum catering cost projected: \(160 \times $148 + $5,000 = $28,680\). Other recent AGM hotel contracts have had a slightly higher obligation, therefore a $35,000 AGM Reserve is recommended. (The Board may adjust this in light of current contract details, but it serves as a good base figure.)

Based on 2013-2014 figures, $47,000 is the target reserve ($12,000 Operating Reserve + $35,000 AGM Reserve), and General Funds in excess of this should be used for SCA programs and member benefits.

Surplus Funds

In preparation for each year’s budgeting, the surplus General Funds should be calculated based on balances as of the previous January 1st. The Board should budget to expend 10% to 15% of surplus funds in the coming fiscal year, so that any programs funded will be sustainable for several years to come.

Example calculations based on 2014 budgeting figures are:

- **General Fund as of Jan. 2013:** $160,000
- **Operating Reserve:** - $12,000
- **AGM Reserve:** - $35,000
- **Surplus General Funds:** $113,000

- **10% of 113,000 = $11,300**
- **15% of 113,000 = $16,950**

Therefore the 2014 budget target should be roughly $11,000 to $17,000 “in the red”, with this sum directly underwriting programs or other member benefits.
Expenditures

Expenditures ideally should support activities emphasized in the most recent Strategic Planning Report, but may support other priorities identified by the Board. For example, based on the four recommendations of the 2013 Strategic Planning Report, the types of expenses that should gradually spend down surplus funds should result in

a) expanded educational and networking opportunities for members, through regional programming
b) enhanced or increased educational opportunities
c) improved communication among the membership and with allied professions and organizations
d) reduced workload for SCA volunteers that administer programs and activities (most likely through clerical or administrative assistance and/or tools that lead to increased efficiency.)

General Fund expenditure decisions should be made in light of available Restricted Funds each year as well. If the Education Fund is healthy and can support increased educational programming or scholarships, it should be used up to the maximum expenditure of principal permitted before the General Fund is applied to educational programs. Similarly, if the Speakers Fund is healthy or depleted, the General Fund may be spared or tapped to support speaker expenses as appropriate.

Reimbursement Policy

General Description

Reimbursements to Board members, Committee chairs, and others as approved by the Board, are made on submission of a Reimbursement Form, with associated receipts. The form should include information regarding the date, names of persons involved, nature of business, and where to send payment.

For all SCA travel and overnight lodging, the most economical means are to be used. Arrival and departure times should be planned to accommodate the scheduled meeting times.

Definitions

Budgeted Expenses: Expenses projected in the annual budget proposal that the Board has reviewed and approved.

Unbudgeted Expenses: Expenses that have not received prior approval from the Board, including expenses in excess of those approved in the budget proposal for a particular activity, and are treated as follows:

1. Expenses up to $25 required for conducting official SCA business may be incurred and claimed without prior approval from the Board.
2. Expenses of $25 through $100 must receive prior approval from the Treasurer.
3. Expenses of $100 through $150 must receive prior approval from the President.
4. Expenses over $150 must receive prior approval from the Board.

Policy

Board members are reimbursed for travel and lodging (meals excluded) to quarterly Board meetings (with the exception of the meeting that is scheduled at the annual general meeting for which only one night of lodging may be reimbursed, and no travel), as well as other expense items approved during the budget process.

Committee chairs and members are reimbursed for budgeted expenses used in the course of performing committee tasks.

In the event that a scheduled meeting (Board, task force, committee) ends two hours prior to its originally scheduled time, SCA will pay up to $50.00 of the cost of changing travel arrangements. Should a meeting run past its scheduled time, thereby causing a change in travel plans, SCA will reimburse the entire fee incurred. SCA requests that the most
economical means of transportation are obtained and that the arrival/departure times are planned to accommodate the scheduled meeting times.

Mileage reimbursement will conform to the IRS tax code.

Committee chairs must review and sign all reimbursement forms submitted by committee members.

The Treasurer may make direct payments on submittal of an invoice from the supplier. The Treasurer may make advance payments on special request; however, when making a request for advance payment, the individual should research the cost of the item or service needed, and submit an accurate figure. When advance payments are made, invoices must be sent as soon as possible to the Treasurer, and if overpayment occurs, repayment must be made within two weeks.
Honoraria Policy

The Society of California Archivists (SCA) strongly supports the use of special speakers at the Annual General Meeting, Society sponsored workshops, Western Archives Institute and other special events. In recognition of the effort and preparation time required of speakers and instructors, the following policy has been adopted for use:

1. AGM special speakers (i.e. keynote, plenary, or luncheon guest speakers) will be offered an honorarium at the time of initial contact. Those individuals who decline the honorarium will be informed of the option of returning the funds to the Society as a tax-deductible donation. AGM speakers who receive an honorarium from the AGM Speakers Fund will be compensated at a rate approved by the Board. This amount may vary depending on the speaker as negotiated by the Program Chair. AGM keynote, plenary, and other special speakers not funded by the AGM Speakers Fund, will receive an honorarium of a specified amount (see table) unless other rates or expenses are approved by the Board. The Board will periodically review the amounts.

2. Society sponsored workshop instructors will be offered an honorarium at the time of initial contact. The honorarium will be a specified amount (see table) periodically reviewed by the Board. Those individuals who decline the honorarium will be informed of the option of returning the funds to the Society as a tax-deductible donation. The honorarium costs will be recouped from fees charged to attend the workshop.

3. Western Archives Institute (WAI) principal faculty and adjunct faculty will be offered an honorarium at the time of initial contact. The honorarium will be a specified amount (see table) periodically reviewed by the Board. Those individuals who decline the honorarium will be informed of the option of returning the funds to the WAI as a tax-deductible donation. The honorarium costs will be a part of the overall budget for each WAI.

4. Western Archives Institute Associate Administrator and On-site Coordinator will be offered an honorarium at the time of initial contact. The honorarium will be a specified amount (see table) periodically reviewed by the Board. Those individuals who decline the honorarium will be informed of the option of returning the funds to the WAI as a tax-deductible donation. The honorarium costs will be a part of the overall budget for each WAI.

5. In cases of special circumstances or events, Committee Chairs can bring proposals for additional honoraria funds to the Board for consideration.

Dear new SCA member,

Welcome to the Society of California Archivists, and thank you for your membership! As you know, SCA is an active regional organization that provides quality programs and publications to educate and enrich the activities of archivists, manuscript curators, records managers, librarians, historians, and other individuals committed to the preservation and use of our documentary heritage.

As a member, you will have access to the SCA Newsletter via the SCA web site, which will help you keep abreast of news of interest to archivists in the state. You will also be invited to attend fall and spring programs, the SCA Annual General Meeting, and the Western Archives Institute. These meetings and workshops alternate geographically between the northern and southern areas of the state for the convenience of our far-flung membership. Please check our web site at <http://www.calarchivsts.org> for updated information and schedules. Also, do plan now for the 2010 Annual General Meeting that will be held April 29-May 1, 2009 in Seattle, Washington. This annual meeting will combine the memberships of the Society of California Archivists, Association of Hawaii Archivists (AHA), Conference of Inter-Mountain Archivists (CIMA), Northwest Archivists (NWA), and Society of Rocky Mountain Archivists (SRMA). Stay tuned for details as to the exact venue and program.

Since October 2008, SCA has posted the Society’s Newsletter and Membership Roster on the SCA web site. The Newsletter is freely accessible, but a user name and password are required to access the Membership Roster. The following user name and password will provide access: User name = roster; password = sca_r0$ter (that’s a zero, not a capital O). Sent along with this letter you will also find instructions for subscribing to West_Arch, the Western archivist’s e-mail listserv and an order form for the “Preserving Your History Brochure Series.”

I would like to invite you to join one of SCA’s working committees, which constitute the engine that drives our Society. I think you will find that SCA’s various committees not only provide valuable services to the archival community, but provide those who actively get involved rewarding educational and
networking opportunities. You can find contact information for the various committee chairs on the SCA web site or in the *Newsletter*.

Again, welcome. If you have questions, comments, or suggestions, please don't hesitate to contact me, or any of the SCA Board members or committee chairs. We look forward to seeing or hearing from you soon.

Sincerely,

Laura O’Hara  
President

General Description

There are two non-officer Directors who represent the membership at large on the SCA Board; each elected Director serves a term of two years. They serve staggered terms, as one is elected in even numbered years and the other is elected in odd numbered years.

It is the responsibility of Directors to attend quarterly meetings of Board of Directors and to participate actively in the work of the Society and its committees. Specific duties and responsibilities may be assigned by the President.

The senior Director serves as the primary liaison to the WAI Joint Management Committee, while the junior Director (more recently elected) serves as the deputy liaison to the WAI Joint Management Committee during the second year of their term as Director.
