Committees

General Description

Special Committees are ad hoc committees or task force groups established by the Board to perform a specific task for a limited time. They are described briefly in Bylaws VI.4.

Standing Committees are those committees that provide essential services to the society. Permanent committees are established by the Bylaws or by the Board for whatever purpose is deemed necessary to help in the work of the society. Standing Committees and their selection are described in Bylaws VI.1-2 (See also the current version of The Standard Code of Parliamentary Procedure by Sturgis).

1. Awards (appointed by President)
2. Communications and Outreach Committee (appointment by President)

4. Education (appointed by President)
   4.a. Vice Chair for Online Education (appointed by Committee Chair, approved by President)
5. Election (appointed by President)
6. Ethics and Inclusion (appointed by President)
7. Finance and Investment (SCA Treasurer)
8. Government Affairs (appointed by President)

Chairs and members of all committees shall be SCA members. In most cases committee members are appointed or reappointed by the chair. Annually, chairs should confirm the continuing interest of committee members to serve. Annually, the President assigns a Board liaison to each committee. Committee composition is outlined in Bylaws VI.2.

Hereafter, in the handbook, the term chair shall also refer to co-chairs when applicable. Incoming committee chairs should familiarize themselves with the SCA Handbook. Outgoing chairs or board liaisons should provide at minimum to incoming chairs a copy of the outgoing chair’s quarterly and annual reports and the previous year’s committee budget.
Responsibilities

Responsibilities that apply to all standing committees are described here. Those pertaining to specific committees are described in that Committee's description in the Handbook.

1. The Committee chair is responsible for making Handbook change recommendations to the Board.

2. All committee chairs report directly to the President, although the President may delegate to a Board member the role of liaison between a committee and the Board.

3. Each committee chair prepares a formal report to the Board prior to each Board meeting (use Quarterly Report Format, section 3-1-1 of the Handbook). Usually the report is submitted to the President about two weeks before the scheduled Board meeting.

4. SCA’s fiscal year is January 1- December 31. In preparation for the Board’s fall budget meeting, chairs provide a proposed budget to the Treasurer (see Handbook 2- 5-2 for budget categories). Committee Chairs and members are reimbursed for budgeted expenses incurred in the course of performing committee tasks. These include costs incurred for such activities as photocopying, mailing, and phone calls. SEE ALSO: Reimbursement Policy, Handbook section 2-5-8.

5. All committee chairs present an oral report of committee activity at the Annual Business Meeting during the Annual General Meeting. Chairs unable to attend shall designate a representative to make this report in their absence.

Tenure of Appointed Standing Committee Chairs

Appointed committee chairs will serve for three years. Within that three-year period, committee chairs and/or co-chairs will be reappointed annually by the President at the beginning of their term, with Board approval. On notifying committee chairs of their appointment or reappointment, the President shall inform them of the remaining length of their tenure. Outgoing committee chairs will suggest a successor to the President, preferably one currently serving on the committee. Committee co-chairs will preferably have staggered tenures. Local Arrangements chairs will be selected by the President and serve for one year.

James V. Mink Scholarship

General Description

This scholarship is awarded each year in honor of James V. Mink, long-time archivist at UCLA and the first President of the Society of California Archivists.

The Mink Scholarship promotes the professional development of students preparing to become archivists or archivists who have recently graduated by providing financial support for attendance at the Annual General Meeting and a pre-conference workshop. In some cases, and with approval of the SCA Board, more than one Mink Scholarship may be awarded in a given year.

The Mink Scholarship is awarded as a check, and the recipient also receives a SCA silver pin. Recipient will be required to write an article for the SCA newsletter regarding their conference experience after the AGM.

Criteria

Applicants must meet one of the following two criteria:

1. Enrolled in an archival education program in California, (i.e. a graduate program or a specialized education program sponsored by an archival institution), or is an SCA student member enrolled in an archival program outside the state.

2. Has completed an archival education program as defined above and has less than one year archival work experience.

Each applicant must submit a completed application form, including a letter of recommendation from someone with knowledge of the applicant's goals in the archival profession. Application form must include a statement that applicant agrees to write an article for the SCA newsletter following the AGM.

Applications are sent to the Chair of the Awards Committee with application deadlines set approximately 10 weeks before the Annual General Meeting.

The Award

The normal award is $1,500 as of 2017-2018.

The amount of the Mink Scholarship may be amended upward or downward by the Board, and changes will be made based on anticipated expenses of specific AGMs (e.g. out of

SCA Handbook: Section 3, page 12
state Western Roundups) and the health of the Mink Fund, which must maintain its principal of $10,000.

Any changes to the award amount will be communicated to the Awards Committee Chair by the Board Liaison immediately after the Board’s fall budget meeting. The award amount is intended to cover conference registration and assist with any travel, lodging and food expenses incurred by the recipient. In addition, workshop registration will be provided and the recipient will receive an Awards Luncheon ticket provided by the committee.

The award will be presented to the recipient(s) at the AGM in the form of a check.

The cost of conference registration at the appropriate level (e.g. student rate) will be deducted from the award check total if registration fees were not paid by the recipient.

The cost of the recipient’s pre-conference workshop will be absorbed by SCA.

For workshops developed by the SCA Education Committee a free seat will be reserved and offered to the recipient.

For workshops by other organizations (e.g. SAA), any free seat offered SCA for co-sponsorship will be reserved and offered to the recipient. A placeholder name may need to be recorded early in the registration period in order to hold a seat.

If a cash registration fee for a pre-conference workshop is needed, it will be budgeted from the Education Fund.

The cost of the recipient’s Awards Luncheon meal is a committee expense, and should be reflected in the Awards Committee’s annual budget request.

**Awards Committee Responsibilities**

1. Revises the brochure and website information as needed to keep it current with dates and application information.

2. Notifies membership of the availability of the scholarship in the Newsletter and publicizes the scholarship through appropriate communication channels. This may include sending the Mink Scholarship brochure, application form, and cover letter to archival educators, history departments, library schools before the end of the fall semester.

3. Submits the name of an Awards Committee member (usually the Chair) as a placeholder for pre-conference workshop registration as soon as registration opens. A place should be held in any workshop offered, until a recipient is named and selects a preferred workshop. Unused reserved registrations must be
explicitly released as early as possible so that seats may be filled. The placeholder registration may need to be coordinated with the Local Arrangements Committee or with an outside organization (e.g. SAA) if another organization is providing the workshop.

4. Follows-up with telephone calls or other reminders to archival educators, if necessary, about a month before the deadline.

5. Distributes completed applications judged eligible and complete to Awards Committee members.

6. The committee conducts a vote on the nominees.

7. Verbally notifies the scholarship awardee(s) and sends a formal award letter.

8. Sends a letter of thanks to each applicant.

9. Receives completed SCA article(s) from awardee(s) and submits article(s) to the SCA newsletter editor(s). Requests of the SCA Treasurer a scholarship check made out to the awardee(s). This is done via the SCA Reimbursement Form.

10. Provides the President with a copy of the application from the awardee(s).

11. Presents awardee(s) to the membership at the Annual General Meeting.

12. Announces the winner(s) in a SCA Newsletter article.
Introduction: Walter P. Gray III Scholarship

The SCA Education Committee established the scholarship to provide tuition and travel support for SCA members in good standing to attend SCA-sponsored educational programs offered statewide. The scholarship is named in memory of Walter P. Gray III, former California State Archivist. In formulating this scholarship, similar continuing education scholarship programs were reviewed, including those offered by other regional archival organizations.

Guidelines

1. *The intent of the scholarship* is to promote professional development of SCA members and allow them to attend any California-based training. The training can be offered by either SCA or organizations not affiliated with SCA. The award is for up to $500 per educational event for an annual expenditure of up to $2,000. Recipients may use the funds for workshop fees, travel, food and lodging.

2. *Publicity:* Notice of scholarship availability will be publicized in conjunction with the educational event in SCA publications, on the SCA website, and to relevant listservs. The application form is available on the SCA website.

3. *Applicant Eligibility:* Eligibility is limited to SCA members in good standing who are students, self employed, unemployed, or whose employers do not financially assist continuing education expenses. Each candidate must submit an application form, including a proposed budget, by the publicized deadline to be considered for the award. Late or incomplete applications will not be considered for the scholarship. Award recipients are not eligible to apply again within the calendar year. Unsuccessful applicants may apply for additional events within the calendar year, with no prejudice. Education Committee members are not eligible to apply.

4. *Event Eligibility:* This award is for educational events only offered in the state of California.

5. *Review Process:*

   a. Candidates’ applications will be received by the Administrator (typically a CoChair of the Education Committee) of the educational event. Education Committee Chair, Co-Chairs, or designee(s) will administer the award and will review applications as received.

   b. The Administrator will determine that the applicant has demonstrated need and has appropriately estimated expenses.

   c. Upon identifying an award recipient, the Administrator will contact the SCA
Membership Director to confirm the active membership status of the candidate. The administrator will also contact the Treasurer to verify that adequate funds are available.

d. The Administrator will inform the award recipient and will notify the Treasurer when the award is accepted. The Administrator will convey that the recipient is responsible for submitting an article for the SCA newsletter to the Awards Committee after the event concludes. In the event that the initial awardee declines the scholarship, the next qualified applicant will be granted the award. Unsuccessful applicants will be notified once the allotted funds are reserved. The scholarship may only be used towards the designated event.

6. **Payment of Scholarship:** Following the education event, the awardee will submit a completed SCA Expense Form, along with receipts, to the award administrator. The administrator will sign the expense form and will forward the document to the Treasurer for payment.
**Lynn A. Bonfield Professional Development Award and Guidelines**

**General Description**

The Lynn A. Bonfield Professional Development Award is designed to provide Society of California Archivists members in good standing with financial assistance for related training and educational opportunities offered outside of California and independent of SCA sponsored events. The scholarship is named in honor of Lynn A. Bonfield, an early convener of the SCA. In formulating this scholarship, similar continuing education scholarship programs were consulted, including those offered by other regional archival organizations. **Guidelines**

1. **Intent**: The intent of the scholarship is to promote professional development of nonstudent SCA members with limited means for continuing education. The award is for two $1,000 awards, per educational event. Recipients may use the funds for workshop fees, travel, meals, and lodging.

1. **Publicity**: Notice of Scholarship availability will be publicized by the Awards Committee in SCA publications, on the SCA website, and to relevant listservs. The application form is available on the SCA website.

1. **Applicant Eligibility**: Eligibility is limited to any non-student, SCA member in good standing who is currently working in the field but receives limited to no institutional support for continuing education expenses. To be considered for the Award, each candidate must submit an application form (including a proposed budget), resume or curriculum vitae, personal statement, and employer’s letter of recommendation by the published deadline. Preference will be given to mid-career professionals. Late or incomplete applications will not be considered for the scholarship. Award recipients are not eligible to apply again within the calendar year.

1. **Event Eligibility**: This award is for educational events offered outside of California. Events held in states where the State of California has prohibited state-funded and state-sponsored travel will not be eligible for this award. This award allows for non-"traditional" archivist training if that training would directly relate to work success.

1. **Review Process**:
   a. Candidates’ applications will be received by the Awards Committee Chair, or designee(s) who will administer the award and review applications as received.
   b. The Awards Committee Chair or designee will determine that the applicant has demonstrated need and has appropriately estimated expenses.
   c. Upon identifying an award recipient, the Awards Committee Chair or designee(s) will contact the SCA Membership Director to confirm the active membership status of the candidate. The Awards Committee Chair or designee will also contact the Treasurer to verify that adequate funds are available.
d. Awards Committee Chair or designee will inform the award recipient and will notify the Treasurer when the award is accepted. The Awards Committee Chair or designee will convey to the recipient that they are responsible for submitting an article for the SCA newsletter to the Awards Committee after the educational event concludes. In the event that the initial awardee declines the scholarship, the next qualified applicant will be granted the award. Unsuccessful applicants will be notified once the allotted funds are reserved. The scholarship may only be used towards the designated event.

1. Payment of Scholarship: Following the recipient’s acceptance, the Awards Committee Chair, or designee(s), will submit a completed SCA Expense Form to the Treasurer for payment. In the event that an award is not given during the fiscal year, any unspent monies will roll over to the following year.
Communications and Outreach Committee

General Description

This committee exists to facilitate and maintain various means of communication between SCA leadership and members, as well as among SCA members. Such means of communication are focused around but not limited to SCA’s website, and could include e-mail blasts, interactive platforms such as social media sites, and electronic tools for reaching out (surveying, educating, etc.) to the membership. The committee works closely with the SCA Board, all other SCA committees, task forces, and groups that wish to communicate to a broad swath of SCA’s membership.

This committee also disseminates information about the archives profession, SCA members and their institutions among the general public; promotes increased diversity within SCA; brings an awareness of the existence and functions of SCA to related professions such as librarians, historians, museum professionals, and records managers, and assists in the publicizing of SCA activities and events. Additionally, because of the particular value in recruiting entry-level professionals, the committee reaches out to student groups, undergraduate history students, and others who might consider archives as a career.

Composition of the committee and terms of office are defined in Handbook section 3-1 and governed by the Bylaws.

Website Blog Posting Policy

Ability to post to the blog is restricted to SCA Board Members and SCA Committee Chairs. This may be expanded at a later time to allow for SCA Members to post. Any non-members wishing to post content to the blog would need to contact the Communications & Outreach Committee Co-Chairs and provide the content to be posted on their behalf. Criteria for posting content is the same as posting any content on the homepage: it should be directly relevant to SCA and/or refer to a SCA publication. Committee Chairs are encouraged to promote committee activity on the SCA Homepage, especially Publications, which should share newsletter content.

Social Media Posting Policy

Ability to post to social media (Twitter, Facebook, Instagram, Tumblr, etc.) is restricted to SCA Board members and designated Communications & Outreach Committee members. This may be expanded on a case-by-case basis to allow for SCA general members to post.

2. Publicizing and promoting SCA activities through newsletters of allied organizations, listservs, Archives Month, and other public forums.

3. Creating, distributing and disseminating educational pamphlets, brochures and other materials.

4. Creating and supporting presentations or panels at meetings of allied organizations.

6. Ensuring consistent ease of maintenance and access to the SCA web site by using a reliable commercial web hosting site.

7. Reviewing the SCA web site regularly to ensure it remains responsive to the needs of the membership. Reviews should consider the web site’s usability and include systematic updates to design and organization leveraging current supported templates. Fuller evaluations should take place at least every three years. It is recommended that these evaluations take place during the chair transition period.

8. Notifying Board Members and Committee Chairs about SCA web site content under their purview that is outdated or inaccurate.

9. Investigating, implementing and maintaining additional means of electronic communications. Such means are ancillary to the SCA web site; they can include social media sites and electronic tools for reaching out (surveying, educating, etc.) the membership.

11. Responding to requests and suggestions about electronic communications in a timely manner.

12. Creating mailing lists of organizations and publications to receive public relations materials about SCA events and programs.

See SCA Handbook section 2-5-10 for SCA’s full Cancellation and Refund Policy.
General Description

The Education Committee develops and presents archival education workshops to be sponsored by SCA. These workshops are generally:

1. regional fall programs—one Northern, one Southern
2. spring programs—alternating Northern and Southern in the opposite region of the Annual General Meeting (AGM) location
3. specialized workshops to be offered as opportunities present themselves or as demand requires

The topics for the workshops are determined by the Committee based on input from the membership and opportunity. It is recommended that a basic archival workshop be offered from time to time.

Basic Archival Workshop

It is recommended that this workshop be co-taught by an archivist working with public records and an archivist working with historical manuscripts. The workshop should address three major questions:

1. What are archives and manuscripts and why are they important?
2. How do we preserve and make them available?
3. What is needed to create an archival program?

Among the topics discussed are: archival principals and methodology, developing a collection policy, relationship between archives and records management, selecting an archivist, donor relations, legal issues, planning programs of arrangement and description, access policy, security, conservation concerns, facilities management, financial resources, outreach. (Note: This workshop is not a practicum on how to arrange and describe records.)

Planning

SCA Handbook: Section 3, page 31
Site Selection & Local Arrangements

- Select a (preferably free) site that has sufficient parking and preferably one with good public transit options. In the case of the AGM the Education Committee should coordinate with the Local Arrangements Committee which will identify classroom space at the conference site (cost will be absorbed by the Local Arrangements Committee).
- Is the site wheelchair accessible? Is there an elevator people can take instead of stairs?
- Is the site heated/air conditioned?
- Is there much noise outside the meeting room (i.e., other classes, loading docks, etc.)?
- Plan whether to have refreshments: Does site have a coffeemaker? Do you have to bring in refreshments, napkins, cups, etc.? Are you obligated to use the site’s catering service? If using a catering service, be aware of extra “set up” and “linens” charges which may apply. Will food/beverages be provided in the same room where the workshop is being held or in an adjacent location? Are there vegetarian options available? Be sure there are plenty of trash cans available for litter. In the case of the AGM the Education Committee should work in conjunction with the Local Arrangements Committee to place order for breaks at the conference site (cost of breaks will be absorbed by the Education Committee).
- What AV can the site supply? Podium, microphones, overhead projector, computer and projector? Will the site supply staff to set up and help troubleshoot with AV equipment? In the case of the AGM, the Local Arrangements Committee will work with the Education Committee to ensure A/V requirements are met (as long as workshops don’t require more than basic A/V needs available to all presenters this cost will be absorbed by the Local Arrangements Committee).
- What kind of seating is available? Chairs in lecture set-up? Classroom style? Tables?
- You will need a table for registration in front of or near the door. Also plan to have a table for handouts and brochures that speakers and participants bring.
- Where are the restrooms? Phones?

Lunch?

- Local eateries? Need list and/or map ○ Catered? Add to the logistics
  - Determine who, what, when, where, how
  - Include in registration cost or fees
  - Include information in publicity
  - Include choices in registration
  - Plan for extras and no shows

There hasn’t been an appreciable preference shown by attendees. Pros for local eateries – you don’t have the added planning; cons – people scatter and are more difficult to rein in after. Pros for catering – less worry for attendee, tighter control; cons – logistics, someone will always be unhappy with the options.

Speakers

- Some speakers need official requests to speak as documentation for their own supervisors.
● Committee is responsible for any travel and/or lodging arrangements needed by the speaker. Travel and lodging expenses will be reimbursed using Education Committee funds per the current Board Handbook reimbursement policy.
● See Board handbook regarding current honoraria policy and expenses. Special cases can always be presented to the Board.
● Try to have your speakers scheduled and on board as soon as possible. If you approach a potential speaker who is unable to participate, ask that person if they can recommend another person to speak on that topic.
● Don’t forget to send thank you notes to all the speakers after the workshop has taken place.

Schedule
● Select the day that works for you, the site, and your key speakers, then work back. Be aware of scheduling the workshop so that it does not conflict with other conferences or meetings (i.e., AGM, ALA, SAA). Also be aware of scheduling a workshop during the summer (when most people are on vacation) and too close to the holidays (no later than the first or second week of November).
● During the week before “the day:” Prepare handouts, forms, signs, and other supplies.
● A week before “the day:” Confirm AV and set-up requirements and food/beverage arrangements and numbers with the site.
● A week and a half before “the day:” Confirm AV requirements with speakers
● Two weeks before “the day:” Should be registration deadline so that the registrar has time to follow-up with the inevitable missing checks and other questions.
● Four to five weeks before “the day:” issue an email blast to SCA members and mail notices to the membership who have requested mailings. Too long a lead time and people forget to register; too short and they don’t have a chance. After the membership should have received their mailings, post announcements to appropriate lists and mail to related/affiliated organizations and local groups if you have budgeted for such. This delay is because membership should have first opportunity. Possible lists include WestArch, A&A, local ARMA chapters, local SLA chapters, CLA, local schools with programs in library science, museum studies, and public history.

Publicity
● Confirm spelling of names, titles, and institutions of speakers for publicity.
● Confirm maps and directions.
● Get whatever you have to the SCA Newsletter editor even if it is only a date and the idea of a subject.
● Create a mailer for the membership. Get mailing labels from Membership Director.
● If possible create a web announcement to simplify postings to lists. This will also allow you to add information as it is needed and to refer interested people so that they get all of the information.

Ahead of The Day
Some “day-of” duties that should be delegated to members of the Education Committee:
- registration check-in
  - welcome and local comments (esp. directions to restrooms)
  - introductions -- obtain copies of speakers’ vitae 1-2 weeks before workshop so that introductions can be properly prepared
- wrangler to get people seated
- reporter for newsletter
  
arrange these enough ahead of time so that those who are speaking have a chance to gather material and the reporter should contact the Newsletter editor to confirm specs.

- Plan an activity if possible, especially good after lunch, if the site is appropriate this could be a tour

- Prepare directional signs. If you don’t know the on-site directions, prepare a number of signs with a variety of arrows.

Handouts and Forms
- Individual speakers may have handouts; they may want you to handle the reproduction.
- You will be bringing blank receipt forms (have as little that needs filling in on-site as possible to be prepared for the inevitable glut), schedules, activity instructions, and evaluation forms.
- You will also be bringing other items from Workshop Kit list

The Day
- Set definite time limits on speakers and give ample time for questions and discussion. Have a strong chair to politely but firmly enforce those limits.
- Plan generous breaks. It always takes longer than you’d think for people to make their way to the restroom and back and then to settle back into their seats. There are always some chatterers.
- Hand out evaluation forms (actually schedule time for filling it out). The best way to get good return is to collect them at the door as people leave.

Workshop Kit

These are items that have been required in the past, useful, or simply wanted (and didn’t have) on The Day.
- Directional signs
- SCA banner or sign
- Registration list
- Receipt forms

SCA Investment Policy Statement

These objectives have been established to provide the SCA Board of Directors with a meaningful framework for evaluating SCA’s portfolio management in order to meet their fiduciary responsibility to prudently monitor SCA’s investments. It is the intent of this Policy Statement to express general guidelines, attitudes and a philosophy aimed to guide members of the Finance and Investment Committee and other investment advisors. It is also intended that the policy be sufficiently specific to be meaningful, but flexible enough to be practical.

Procedures

The following procedures will be followed to ensure the Investment Policy Statement is consistent with the current mission of SCA and adequately reflects the current financial condition of SCA. It is understood that this policy has been approved and adopted by the SCA Board of Directors.

1. The Board of Directors shall review the policy during the second year of each Treasurer’s term (biennially) and inform the Finance and Investment Committee of any changes in SCA’s strategic aims that may require alterations in SCA’s investment plans. This review cycle will begin in 2017.

2. Complete investment guidelines, including acceptable investments, risk exposure limits, comparison benchmarks, and reporting expectations will be established and outlined in this document.

The Finance and Investment Committee will interview and recommend hiring to the SCA Board of Directors. The Board of Directors will approve the recommendation.

A. **Measured Period:** For purposes of measuring a rate of return over a market cycle, the measured period shall be between three and five years.

B. **Fiduciary Standards:** Investment of the long term portfolio shall be prudently diversified in terms of asset classes and broad market sectors. The Society’s assets are to be invested and managed in accordance with generally accepted standard of fiduciary responsibility. The safeguards which would guide a prudent investment manager are to be strictly observed. All transactions utilizing assets are to be undertaken for the sole benefit of SCA.

C. **Volatility of Return:** The goal of SCA’s long term investments is to produce returns that exceed inflation by 5% per year with an acceptable level of risk. The SCA Board of Directors understands that the current long-term portfolio asset allocation has a high probability of depreciating in any single year. Given that the overall portfolio has a long-term horizon, a prudent amount of short-term risk is acceptable to the SCA Board of Directors.

D. **Permissible Investments:** The Society’s assets may be invested only in publicly-traded common and preferred stocks, convertible bonds, and fixed-income securities, whether
interest-bearing or purchased at discount, including money-market instruments, subject to any restrictions hereinafter specified. This investment can be in the form of direct investment in the stock market, or indirect investment via mutual funds. No other securities or instruments shall be presumed to be permissible investments without an amendment to this Policy.

E. **Equity Portfolio Characteristics:** The Society’s assets invested in equity securities shall, as a group:

1. Have a volatility, or risk level measured as beta, not exceeding that of the overall stock market as measured by the S&P 500 Index;

2. Be sufficiently diversified so as to moderate risk, but not so excessive as to preclude attainment of optimal results.

F. **Fixed Income Portfolio Characteristics:** The Society’s assets invested in fixed income securities shall, as a group:

1. Have a weighted average maturity as measured by their market value between 2 and 10 years;

2. Have a maximum maturity of any individual issue of not more than 20 years;

3. Have an average portfolio quality as measured by market value of “A” or better as rated by Standard and Poors;

4. Have no fixed income security rated at less than “B” grade by Standard and Poors;

G. **Foreign Securities:** Investment in any securities whose issuer is a foreign corporation, government, or government entity shall be limited to no more than 10% of the total managed portfolio. Foreign equity investments shall include only those securities traded on principal U.S. stock exchanges.

H. **Asset Diversification:** The Society’s investments will maintain a reasonable diversification at all times. No more than 5% of the Society’s assets will be invested in a single company. No more than 15% of the entire portfolio may be invested in the securities of any one sector.

I. **Investments and Transactions Which Are Not Permitted:**

1. Commodities and Futures Contacts
2. Private Placements
3. Options

**AGM Program Committee Guidelines**

Generally, the Program Committee is not inundated by SCA members with proposals for AGM topics and speakers. Usually, the committee must brainstorm topics, discuss possible speakers, and then engage speakers. Finally, the committee delivers the set program and all its details to
the Local Arrangements Committee, which arranges the distribution and printing of the AGM printed program and related materials.

The Program Committee Chair must guide these activities, set clear responsibility and deadlines, and inform Local Arrangements of anticipated program needs. No later than one month before the AGM, the committee chair makes sure that committee members have confirmed all meeting and session details with their speakers and that the speakers have informed the committee of all AV needs and, where appropriate, lunch plans.

Some committee activities, such as brainstorming, deciding on the broad themes of the AGM, and scheduling sessions, require committee meetings. Other activities, such as following up "leads" for speakers, determining the topics of each speaker, and verifying AGM information, can be done by telephone or email. Although in-person committee meetings are ideal, past committees have also met via teleconference or electronically.

Policies and procedures

It is SCA policy to offer non-member speakers complimentary registration for the entire AGM. This does not include workshops, materials fees, or events with extra fees such as luncheons. No one has to register just to speak, but members must register if they are attending other sessions or events. In addition, SCA pays for lunch for the keynote speaker, luncheon speakers, and recipients of awards as noted in the Awards Committee section. However, the Program Committee Chair may draw from their discretionary fund to cover luncheon costs for special guests.

Generally, the Board approves a set dollar amount for discretionary use by the Program Committee Chair, and it becomes a line item under the Program Committee’s budget.

The Program Committee may use monies from the Society’s Special Speakers Fund to help pay for honoraria and travel expenses to bring in keynote or luncheon speakers. Consultation with the Treasurer and the Board is encouraged to determine how much may be allocated in a given year.

The Program Committee and the Local Arrangements Committee need to stay in close contact right from the beginning, but especially as the AGM draws near. Local Arrangements will need to know the number and type of sessions planned so they can make meeting room arrangements. They will need exact, detailed session and speaker information to print in the AGM printed program. They must be informed of speakers’ AV requirements well in advance.

Program Committee members should use the "Session Proposal Form" as a tool for insuring that they obtain complete, detailed information on each session, speaker, and AV needs. Each session should have a Program Committee liaison/facilitator in addition to the session chair/moderator/commentator to take care of logistical details and help the session run smoothly. If the chair wishes, the facilitator can also write an evaluation of the session and a summary of the session for the SCA Newsletter.
